AMENDMENT AND RESPONSE

Dear Sir:

This response is being filed to an office action exhibiting a mailing date of July 12, 2007, which is over 6 months ago. Attached please find a petition for revival of an application for patent abandoned unavoidably under 37CRF 1.137(a). As described in the attached showing, and as evidenced by the incoming docket, this office action was not received by mail at our mailing address. Attention was drawn to the subject file during an unrelated management meeting of today, January 28, 2008, and upon inspection via Private PAIR, the outstanding office action was discovered. In response thereto, please amend this application as indicated below and consider the remarks that follow.
